

Permission to Photograph

Dear Parents and Guardians,

As you know, we have a district website and classroom websites that feature our students and the activities in which we participate. The site is for children and their parents. We never label children's names on the site and only post pictures with parent's permission. Please sign below to let me know if I do or do not have permission to place your child's work and photos on our website.

May Howard Elementary School has permission to place photos of my child participating in classroom activities and their work on the website.
